Week of 4/11/21

Sermon Discussion Questions | [Hebrews 2:6-9](#)

1. What are some aspirations in your life that are unfulfilled?
2. How would you respond to a neighbor that asked, “if God is who you say he is, why do things seem so messed up in the world”
3. If you were to take inventory of your non-Christian friends, what might they say is the basis of human dignity?
4. Where (and when and why) do you sense the sacredness of the created order or of God’s presence? When do you sense there is something much bigger than you in the universe?
5. Were there any reminders this year for you during Holy Week (the week between Psalm Sunday and Easter) that eventually everything will be “put right”.
