3. Can you think of examples when God used Christian community to help you grow in wisdom?
4. Where do you need wisdom the most in your life?

### **Announcements:**

UPDATE ON COVID-19 POLICIES: As of May 29th, the state of Massachusetts and the city of Cambridge have lifted the mandatory guidelines required of places of worship. As we acclimate to this new stage of reopening, however, we will only be making gradual changes to our policies.

- There will be two seating options:
  - Open, for those who are comfortable sitting shoulder-to-shoulder with other households
  - Distanced, for those who would prefer to maintain six-foot distance from other households.
- Distanced seating will be assigned, and our greeters will direct you to your seats in the outer pew sections. Open seating will be unassigned, in the center pew section.
- Also, for the time being, we are asking that everyone continue to wear masks indoors during the service out of consideration for the comfort and well-being of others, including the many children in our congregation who are not vaccinated.

Community Groups are welcome to come cheer on the CTK softball team. There is plenty of space around the field along with rose gardens and post-game lunch spots. The remaining game [times and locations are listed here](#).
