

**CTK Community Group Sermon Discussion Questions & Announcements**  
**Week of 9/20/20**

Please take a few moments to share these announcements with members of your community group and take some time to pray for the life of the church. Thank you!

**Sermon Discussion Questions | [1 Samuel 21](#)**

1. Talk about the theme of “wilderness” (and see Psalm 78:19). Why do you think God continually takes his people into the wilderness to teach them who He is and who they are?
2. Read Mark 2:23-26 - how does Jesus make use of what David does in 1 Samuel 21? What is the significance of this for us?
3. Does it surprise you that Psalm 34 is connected to these events? That is - how does such a humbling moment for David lead to a Psalm of praise like this? What do you see in the Psalm that would suggest its origins?
4. What stands out to you in Psalm 34?
5. Can you give personal examples of times that you have “tasted and seen” that the Lord is good? Or can you talk about long periods when it was *hard* to savor his goodness?
6. Pray for the church and for one another, that we would fear the Lord and seek our refuge in him.

**Important Announcement:**

For more information regarding **CTK’s pastoral transition**, please visit [ctkcambridge.org/transition](http://ctkcambridge.org/transition). Please feel free to reach out to elders ([transition@ctkcambridge.org](mailto:transition@ctkcambridge.org)) and other leadership with any questions you may have.

**Other Announcements:**

An annual highlight at CTK is the Winter Getaway. However, due to COVID-19, we are not going to be able to get “away” like we have in the past. However, that doesn’t mean that we can’t still partake in some of the best parts of the Getaway: rich times of learning and fellowship and outdoor activities. The staff have already started to brainstorm ways in which we can adapt, but **we are looking to form a Get “Away” Brainstorming Team** to help us think outside the box. If you’d be interested in helping out, please email [laura@ctkcambridge.org](mailto:laura@ctkcambridge.org).

Are you at all familiar with mixing live sound? Or, at the very least, does technology not terrify you? If either of those apply, **please consider helping out on Sunday mornings with running the sound board**. We can train you on how to use the board, and in many ways, running the board is simpler these days than it was pre-COVID, but it doesn’t quite run itself, so we’re looking for some help. If you’d like to learn more, please email [amanda@ctkcambridge.org](mailto:amanda@ctkcambridge.org).
